RE: Small Business Enterprise (SBE) Certification Approval

Dear Michael Griffie:

Congratulations! GT Industrial Supply, Inc. has been certified through the City of Cincinnati's Small Business Enterprise and Local Business Enterprise program as a Small Business Enterprise (SBE). Your certification is effective December 23, 2019 through December 23, 2021.

If there are any changes to your original application, you must notify the Department of Economic Inclusion immediately. Examples of changes include, but are not limited to, changes in company name/address, ownership, and/or control of the Small Business Enterprise (SBE) business. Failure to do so is reason for revoking your eligibility for participation in the Small Business Enterprise and Local Business Enterprise program.

While you should receive several email notifications for your Small Business Enterprise (SBE) renewal from our online software system prior to your certification expiration, it is your responsibility to be mindful of the date of your expiration and to submit a renewal application at least 60 to 90 days prior to expiration in order to avoid a lapse in your certification. Emails generated from the system may go to your Spam folder, so please check during that period for the link to your Small Business Enterprise (SBE) Renewal Application. If you don't receive a link, you can always apply at cincinnati@diversitycompliance.com.

If you have any questions or need additional information, please contact the Department of Economic Inclusion at (513) 352-3144 Monday through Friday between 8:00 a.m. and 5:00 p.m. or email us at cincinnati@diversitycompliance.com.
